Organize Your Group Trip to Learn Spanish and Culture in Cuernavaca or Oaxaca

Planning a group trip to immerse yourselves in Spanish and Mexican culture is exciting! At IDEAL Spanish Mexico, we make it easy to organize an unforgettable experience for your students or colleagues. Here's how we'll work together:

- **Share Your Vision:** Let's start by discussing your group's main ideas for the trip. Tell us your preferred dates, the number of students, and if you'd like to emphasize any specific themes. This could include volunteer work, an analysis of Mexico's sociopolitical landscape, exploring Mexican history, diving into Mexican cuisine, or anything else you have in mind!
- **Receive Your Customized Proposal:** Based on our discussion, we'll send you a detailed proposal for your group's trip. This will include Spanish classes, activities, services (like round-trip airport transportation, insurance, etc.), accommodation, complimentary services for group leaders and accompanying teachers, pricing, and terms.
- **Refine the Details:** We'll then have another chat to go over the proposal's specifics and finalize the program to perfectly match your group's needs.
- **Get All Your Trip Information:** Once everything is confirmed, we'll send you all the necessary details for your group's trip. This includes airport transportation confirmations, host family information, invoices, and more. If your institution requires it, we can also draft a formal agreement signed by all involved parties.
- **Welcome to IDEAL Spanish Mexico!** We'll be thrilled to welcome you and your group. Get ready to enjoy your trip!

Pre-Trip Communication

We can also arrange an online session before your trip to speak with school administrators, students, or parents. Pre-trip communication is incredibly important to ensure everyone is prepared and excited for the experience!

Let's collaborate! Contact us today to discuss your vision, and we'll help you prepare a comprehensive, exciting, and enriching itinerary for your next group project. The perfect balance of learning and adventure awaits!
